### In Remembrance

The Town of White Castle lost one of its employees, Teddy Lee Singleton. Please continue to keep his family, friends, and co-workers in prayer during this difficult time. He was a diligent and faithful worker in our town. He loved helping others. Let's continue to spread love and forgiveness as he did. He will be missed dearly.

### Beat The Heat This Summer

Before outdoor physical activities, children should drink freely and should not feel thirsty. During activities less than one hour, water alone is fine. Kids should always have water or a sports drink available and take a break to drink every 20 minutes while active in the heat. Also always check the back seat to make sure all children are out of the car when you arrive at your destination.
